Dedication

WE, the members of the Class of nineteen fifty-two, dedicate this "Barnacle" to Mr. Connor as an expression of our gratitude and appreciation for his unceasing efforts as our class advisor during the past three years.

Our perfect record of successful class projects is due to Mr. Connor's interest and leadership. His guidance has proven invaluable to us in every way. We have all felt free to seek his council at any time on any matter. This feeling of confidence has helped immeasurably to make our high school years happy ones of only pleasant memories.

It is, therefore, gratefully and with a feeling of abiding friendship—that cannot be adequately expressed in words—that we all say, "Thank you, Mr. Connor."

Preface

THE Barnacle Staff has attempted to compile this book so that it will present a true and complete picture of the school years from 1946-1952. We hope that the pictures and sketches will call up memories of the events which occurred during those years and of the precious moments and friendships connected with them. These memories of the many and different experiences we shared by participating in the student activities are pictured on these pages and will linger long after the lessons we toiled so hard to learn have faded from our minds.

Each experience has helped equip us to handle, with skill and success, the problems which we shall meet in the world into which we are about to make our way.

Realizing that this edition of the Barnacle will be most valuable to you in years to come, when upon reading it you recall glimpses of the various phases of your high school life, we have written it in the way we think it will be most meaningful to you at that time.

Class History

IX

IN 1948 the '52 Special had started on the first leg of its journey. The passengers were all excited as they began their Freshman year at Barnstable High School. Soon they became accustomed to their new routine, teachers and classes, and took on extra activities. Some joined the orchestra, band and glee clubs. Others went out for the sports; football, basketball, baseball, hockey and softball, while still others with journalistic ability joined the *Clipper* staff.

X

After a pleasant summer vacation in 1949, the wheels once more began to roll, taking us into our Sophomore year. This year was a big step for us as we chose our advisor, Mr. Briah Connor and our class officers. Curtis Stiles, President; Muriel Sollows, Vice-President; Virginia Williams, Secretary; Suzan Thomas, Treasurer. We were well guided with these leaders.

Again many of our class chose outside activities. Judy Rounds and Eddie Cliggott were elected to represent our class in the Student Council.

This year we held our first dance, the Sophomore Hop. The theme was Valentine's Day. This affair was under the leadership of Sandra Haskell, chairman of committees. Judy Rounds and Briah Connor were crowned King and Queen.

In order to keep our train moving and in good condition, it was necessary to raise some money. We elected a fund raising committee whose members supervised the sale of football and basketball pins. Our net profit was only the beginning of our wonderful financial record.

The Traffic Squad was originated that year. Its duty was to keep order in the corridors and many of our classmates were officers.

XI

In the fall of 1951, we arrived back at B.H.S. once more, this time as Juniors. In order to accommodate new passengers we hooked on another car. We resumed our studies and held our class elections. Curtis Stiles, was again, elected President; Barry Sturgis, Vice-President; Betty Griffin, Secretary; Carol Lahteine, Treasurer. The Student Council carried on as before with Richard Gauthier elected to its membership.

Our first concern this year was choosing our class rings. Finally, after much deliberation, our ring committee (Muriel Sollows, chairman, Richard Gauthier, Briah Connor, Bob Frazier, Mary McLean and Bill Childs) limited the selection to three from which we chose one. We were filled with anxiety by the time we received them.

Again football got into swing with some of our fellows on the first string. Both boys and girls basketball teams were made up of many of our classmates. Peggy Kelly was manager of the girls team. Warren Bjerk was captain of the golf team. The editor of the *Clipper* this year was our own Mary Sylvester.

At last spring came, and with spring came the Junior Prom. It was held May 11, under the arrangement of the committee, consisting of Muriel Sollows, chairman; Bill Childs, Peggy Kelly, John Aylmer, Alice Murphy, Bob Frazier, Donald Kunze, Barry Sturgis and Louise Ames. The theme was a May dance with Maypole. Alice Murphy was chosen May Queen. Curtis Stiles, our president, placed the crown on her head. The music was furnished by Roger Gott's orchestra. Immediately following the Prom, Janet Place held open house for all. This was greatly appreciated and enjoyed by our class.

Also, in the spring, a picture committee consisting of Virginia Williams, chairman; Donald Kunze, Bill Childs, Muriel Sollows and Briah Connor was appointed to select the photographer who was to take our class pictures. After great consideration, we chose Purdy as our official photographer.

In June, before school closed Mary McLean was chosen to represent us at Girls State.

XII

At last the year had come when we were to finish our journey on the '52 Special. Starting the year off with puffs of steam, we held class elections. George Johnson, president; Muriel Sollows, Vice-president; Betty Griffin, Secretary; Carol Lahteine, Treasurer. Curtis Stiles was voted into the Student Council of which Richard Gauthier was chosen president.

As usual football got off to a flying start with Ducky Nickula co-captain of the team. This year we were undefeated. B.H.S. hadn't seen that kind of a season in quite a spell. Ray Hostetter was presented the Hinkle trophy, an award which is given to the senior of the squad who, during his school years, has shown finest school spirit and co-operation with coach and team. We were all very proud of Ray and all the other members of our class who played on that great team. In basketball, with "Ducky" Nickula captain of the team, the boys showed high spirit by capturing the Class "B" championship. Well done, boys.

The editor of the *Clipper* this year was Diane Hinckley. Several of our classmates were under her direction.

Early in October, a day was set aside for the sittings of the class pictures. Everyone was well groomed and had put on their most pleasing smiles for the "Purdy birdie."

This year, in order to raise money, we sold Christmas cards and presented "The Follies of '52." This was produced just before the Christmas vacation and was an overwhelming success.

In January the Barnacle staff sponsored a food sale in Osterville, Barnstable and Hyannis. Everyone in the class contributed to make this a success.

In February, George Johnson was chosen to represent us on Good Government Day.

Early in '52 Mary McLean was chosen by her classmates and teachers to be the recipient of the D.A.R. award.

With anticipation we are waiting for the production of the Senior Class Play, "Ramshackle Inn." This is to be presented on March 27 and 28 under the direction of Mr. Elliott MacSwan, assisted by Mr. Briah Connor.

One of our leading activities this year, has been to publish this yearbook, the *Barnacle*. Mary Sylvester was chosen by the class to be Editor-in-Chief with Ima Stacy as Assistant Editor. Mr. Henry Levinson has been the capable faculty director to the editor and her staff and we extend to him our sincere gratitude.

Although our plans for Class Day, Class Banquet and Graduation must be left incomplete at this time, we are looking forward to these events with great expectation.

Granting that soon we shall all drift apart, let this be a constant reminder of our happy days at B.H.S.

We, the Class of 1952, will long remember the calm manner and helpful efforts of our highly respected principal, Mr. Frederick M. Hodge, to guide us successfully through our high school years.

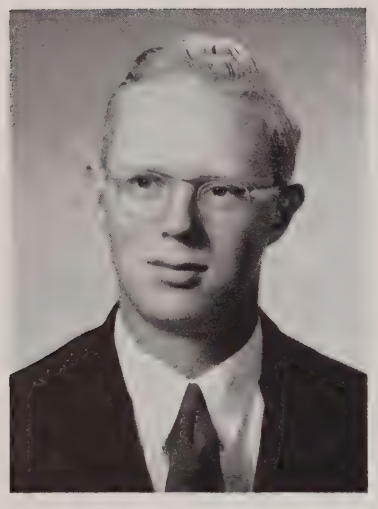
Mr. Henry Levinson

The Class of 1952 wishes to express its gratitude and heartfelt thanks to "Doc" Levinson, who has willingly given so much time and effort to making this *Barnacle* a success.

Mr. Elliott MacSwan

In response to all the patience, hard work and friendliness Mr. Elliott B. MacSwan displayed in directing the Class Play, the Class of 1952 wishes to express its sincere appreciation.

Class Officers



George Armas Johnson

"Strange to the world, he wore a bashful look, the field his study, Nature, his book!"

In B.H.S. you will find one student who is always in good humor and never letting anything get him down. Being a very efficient Class President, George has been elected Second Vice-president of the F.F.A. Association, and won the Oratorical Contest for the third straight time. We all wish him luck at the University of Massachusetts.

Muriel Bethene Sollows

"Full of fun and fancy free."

Muriel is someone you like to have around. You just can't help liking her. She's full of fun and always ready for a laugh. Muriel has many friends, and is noted for her sunny disposition and inexhaustible energy. Her future is undecided, but we know she will succeed in whatever she attempts.

Carol Ann Lahteine

"The world belongs to the energetic"

A keen sense of humor and a winning smile are Carol's refreshing qualities. One of our prize business students, "Pudgey" is also talented in music. We know that her outstanding abilities and pleasing ways will carry her far in the business world. Our best wishes for success and happiness, in the banking field.

Betty Lee Griffin

"Examine those eyes!"

Betty, cute and graceful, is well known around school as fun to be with. She can often be seen bright and early in the morning driving a big, blue Buick to B.H.S. from Marstons Mills. Extremely talented as a dancer, Betty intends to become a dancing teacher soon after graduation.

Margaret Louise Ames

"She was as good as she was fair."

Louise, better known as "Weezie," is active in many of our school activities. Outside of school, you will be most likely to find her driving around in her Ford. After completing high school, "Weezie" plans to attend Lasalle Junior College. We feel assured that she will always be successful.

John Francis Aylmer

"I am not in the role of common men."

"Jackie" is easily recognized with his winning smile and sense of humor. Being a "Jack of all Trades" is an asset to him, especially since he excels in several of them, such as Art and Sports. His superlative qualities certainly will continue to aid him with success.

Virginia Joy Balboni

"Quiet and well conducted,
But always ready for fun."

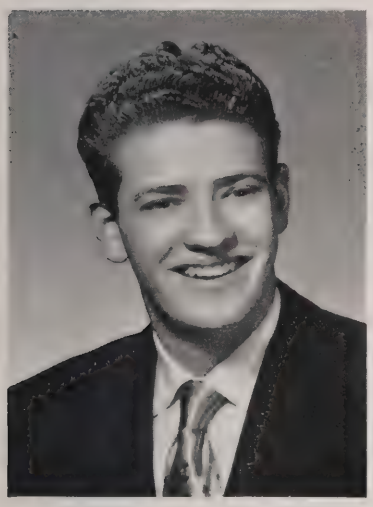
Wherever there is a crowd and lots of fun, there you will find "Ginny". Ginny's interests are many; she lists swimming, roller skating, and especially dancing as a few. Undecided about her career, we wish her the best of luck in any field she may choose.

Girls' Glee Club 9, 10; Basketball 9, 10.

Albert Barabe *

"Let what will be, be."

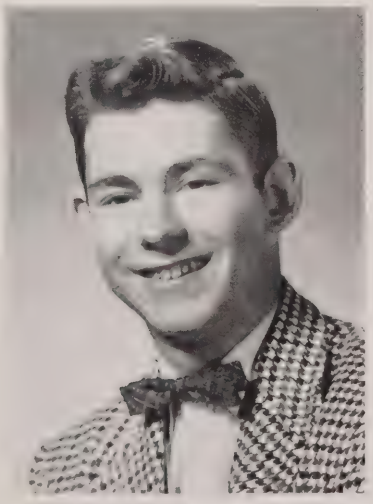
Due to his long visits with Morpheus, Albert can be seen running down High School Road, competing with the nine o'clock bell. Anyone being so fortunate as to have "Al" as a bridge partner will find that he plays an exceptional game. We feel sure that, in the future, "Al" will continue to add to his accomplishments.



Donald Barabe *

"My nature is subdued."

Donald is the possessor of a quiet manner mixed with responsibility and diligence. With the arrival of the tourists Donald sports that tall white hat of assistant-chef at the Hyannis Inn. Since Donald intends to continue in this field, we can well imagine him the successor to Duncan Hynes.



Alfred Bishop Barrow

"I'll paint you as well as I can."

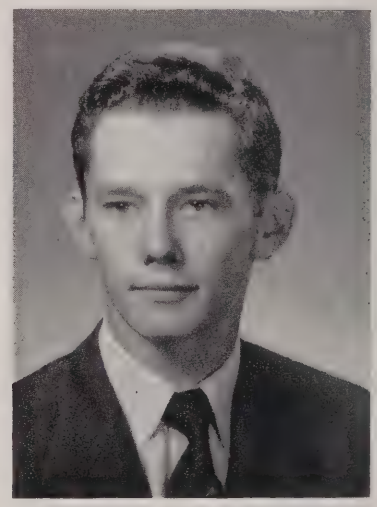
"Sonny" is probably one of the most successful cartoonists in our class. His "works of art" are to be compared with those of a professional. Artistic talent is not his only asset; he has a pleasing personality and a warm smile which have gained him many friends.

Clipper Business Staff 9; Clipper Editorial Staff 10, 11, 12; Boys' Glee Club 12.

Helen Shirley Barter

"Laugh and the world laughs with you."

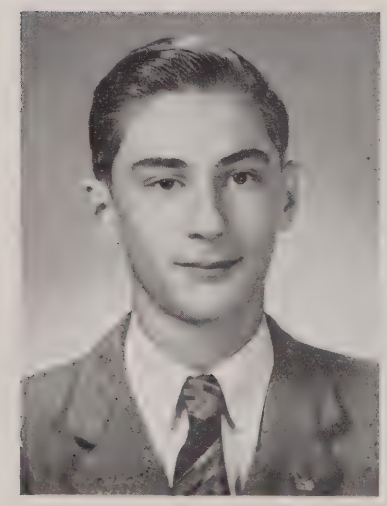
Shirley, a member of the General course, can be found working after school at Gosselin's Record Store. Always ready with a smile for all, Shirley is a big help in picking out records for her customers. Since Shirley has an ear for music she plans to continue in this field.



William Roland Beaumont

"My friends declare I am in jest."

The "giant" you may see at the First National in Osterville, would probably be our tall friend, "Billie." He is never without that twinkle in his eye or a witty remark. We don't know whether or not his height contributes to his popularity, but he never seems to lack for friends, male or female.



William Ernest Beldan

"The reward of a thing well done, is to have done it."

Think he's quiet? Oh, No! Bill's loads of fun when you get to know him. When summer arrives, more often than not, you will see him with either a fishing rod or golf clubs over his shoulder. His ambitions will take him far.

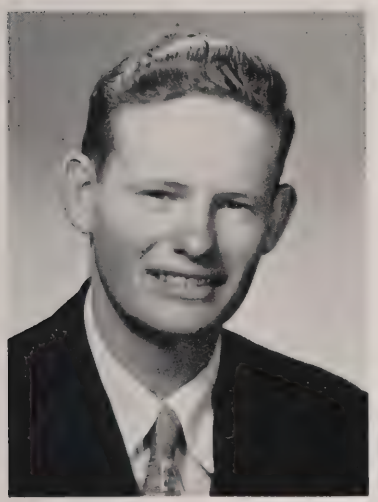
F. Joanna Bicknell

"It is nice to be natural and natural to be nice."

The people in Barnstable are always pleased to pick up their phones and hear a pleasant "Number, please?" from Jody. Always obliging and agreeable, she is welcomed with enthusiasm into all our social functions. If there is actually a secret to natural sweetness, Jody certainly discovered it long ago.

Girls' Glee Club 9, 10, 11, 12; A.A. Member 9; Traffic Squad 11, 12; French Club 11.



Warren Arne Bjerke

"Men of few words are the best men."

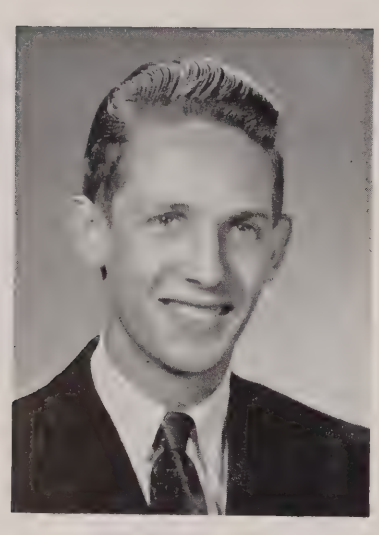
One of the first things that you notice upon seeing Warren is his magnetic smile. It truly expresses his personality. Though he says little, he accomplishes a great deal. His golfing ability, especially, has made people "sit up and take notice." Perhaps it will be this talent that will bring him his greatest success in the future.

Golf Team 10, 11.

Marlowe Ann Burge

"With a cheery smile and a wave of the hand."

Marlowe arrived at B.H.S. from Boston last year and her gay smile has won her many friends. She is interested in all types of music from classical to jazz, likes to read, and of all her subjects, likes English best. We're glad to say that Marlowe has spent her last years of high school among us.

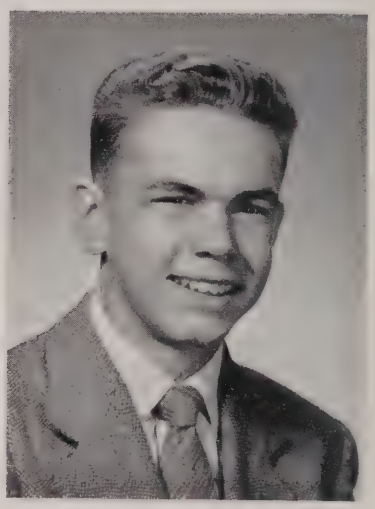


Norman Chandler Caswell

"Kind words he ever had for all."

Chandler has a great many outside interests among which carpentry, clarinet playing, and flying are outstanding. He has his own flying license, and attends night school for flying. Chandler intends to study Pharmacy and we know that he will succeed in his chosen field.

Boys' Glee Club 12.



William Francis Childs

"You're clever at drawing, I own."

Those sparkling eyes belong to our Barnacle artist "Billy", whose looks betray his mischievous, fun-loving nature. These characteristics are also displayed in his clever drawings and caricatures. With his personality, abilities, and talent, we know that he can look forward to an extremely promising future.

Edward Daniel Cliggott

"A good sort and a good sport."

Pep, fun and cheerfulness are characteristics which are certain to be associated with "Eddie." A party is never complete unless he is there with his clever quips. He puts his height to good advantage in basketball and other activities in which he participates. He is also a good student and B.H.S. will certainly miss him.

Phyllis Clough

"A merry heart maketh a cheerful countenance."

One of our best cheerleaders, "Phil" has an extraordinary supply of energy and school spirit. She has a special knack of making a dull class interesting. Carefree and always happy, Phil has a great many friends. With her pleasant attitude and determination, we know she will be a success in whatever she undertakes.

Audrey Frances Coleman

"Ever sweet and cheerful."

That happy smile and blush, in class, can only belong to Audrey. She's the one who keeps the classes interesting. If it weren't for "little Audrey's" laugh, and her sweet ways, things would certainly be dull. We will miss this charming young lady and we wish her all the luck that the future can bring.

Briah Kerr Connor Jr.

"Good deeds shall gain your friends."

Is there anything you'd like to know about science from Biology to Physics? If there is, just ask our favorite scientist Briah Connor. "BK" always seems to come up with the right answer when we're all stumped. Although he possesses much knowledge, "BK" is never showy about it, which makes him very popular with his fellow classmates.

Jeannette Louraine Cotell

"Small sands make the mountain, moments make the year."

One of our tricky majorettes, Jeanette has displayed a good deal of rhythm and timing. Roller skating is her favorite pastime, but she enjoys just having fun, no matter what she's doing. One of the smallest members of our class, she manages to make up for her size with her wit. As yet her future is still undecided, but we all know she will be a success.

Drum Majorette 9, 10, 11, 12.

Gilhermina Aguiar Couto

"Exceedingly well-read."

Our friend "Gillie" seems to hop from one extreme to the other. While she enjoys reading and writing in her spare time she nevertheless finds time to indulge in her favorite habit of gum-chewing. Her future plans include continuation of her job as Bookkeeper at the Hyannis Hardware Store.

Junior Red Cross 10; Barnacle Special Committee 12.

Carole Berube Crocker *

"I'll speak in a monstrous little voice."

If you happen to see a bright green car, you may be sure you will find Carole in it. She is a clever athlete and is especially fond of basketball and bowling. Carole sings in the Glee Club where her strong alto voice is a great addition. Next year Carole plans to go to Florida.

Joan Ellina Crosby

"How far that little candle throws its beams."

"Joanie" is a sea-loving girl with a flair for the unusual. She particularly enjoys swimming and sailing. Her pet hobby is collecting dolls from countries around the world. Along with this, her special interest is caring for children. Joanie's plans are indefinite but we wish her luck in whatever she chooses.

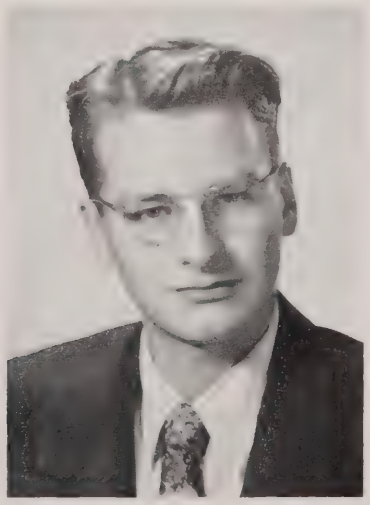
Clipper Typing Staff 11; A.A. Member 10; Prom Committee 11; Junior Red Cross 9, 10, 11; Clipper Business Staff 9, 10, 11.

Janet Marie Cross

"A lot of chatter and a bundle of cheerfulness."

A gal with lots of zip is our friend Janet. Where there is fun you'll usually find her causing most of the gaiety herself. Her future is full of great plans and ambitions, and we feel certain of her success in all that she undertakes.

Girls' Glee Club 9, 10, 11, 12; Red Cross Representative 9; Magazine Representative 9; Prom Committee 11; Clipper Business Staff 9, 10, 11; Clipper Typing Staff 10, 11.

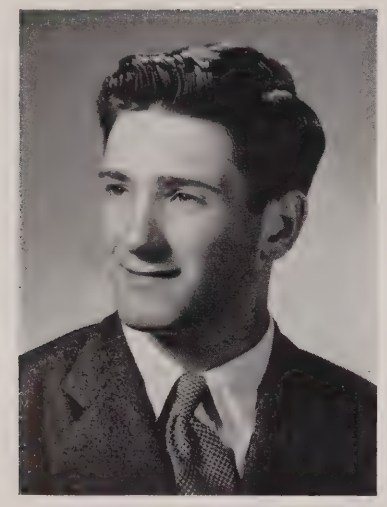


Leon Alexander DeMers

"Why aren't they all content like me?"

A beat-up rattle-trap of a car, and a red whiz of a scooter—these are the signs that point to Leon. He's the life of any group with his extensive stock of stories and his musical ability on the guitar. Success to you, Leon, in your future work.

F.F.A. 11, 12; Boys' Glee Club 9, 10.

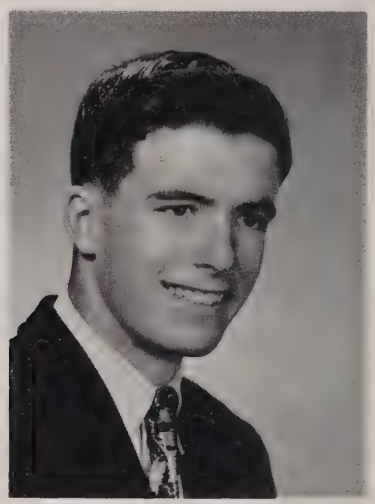


John Culver Deware

"The man everyone knows."

The good-looking dark-haired boy that you've noticed in the corridors is none other than John. His abilities, which are many, include being a good student, a capable basketball player, active in the DeMolay, a leader, and well-liked by everyone. We are certain that his future will be successful.

Sophomore Hop Committee 10; Traffic Squad 10, 11, 12; Prom Committee 11; French Club 11; Fund Raising Committee 11, 12.



Peter Michael Doiron

'Tis only noble to be good."

"There is no substitute for brains" is Peter's slogan. He is the envy of all when they hear his mastery of English. His wit and humor have brightened many a class. Peter will always be remembered as a scholar with a helping hand.

Senior Class Play 12; Sophomore Hop Committee 10; F.F.A. Secretary 11; F.F.A. President 12; Football 9, 12.

Mary Ann Duarte

"A soft answer turneth away wrath."

Here is a girl whose quiet manner and pleasant ways make her welcome anywhere. The fact that we've never seen her angry at anyone makes her a good companion. Certainly a good sport, she enjoys basketball very much. We feel certain that she need have no fears about her future.

Clipper Typing Staff 11; Junior Red Cross 10, 11.

Janet Ann Duchesney

"A sweet attractive kind of grace."

Although Janet is quiet and gentle, she is a lover of sports, especially bowling and watching a baseball game. Among other hobbies, she classifies reading and stamp collecting as her favorites. She will spend her immediate future at Burdette College. Our best wishes follow wherever she may go.

Clipper Typing Staff 11; Junior Red Cross 9, 10, 11.

Paul Buckingham Dudley

"Little I ask, my wants are few."

That isn't a giant, it's our classmate Paul. We all know him well, and even though he has little to say, he is always busy with his clever ideas. He is uncertain of his future plans, but our best wishes go with him wherever he may go.

Alice Louise Durham

"Sweet Alice whose hair was so brown."

Alice came from Boston to B.H.S. in her Junior year, and joined the Business Course. She has grown very fond of the Cape and has made a great many friends. We have learned that Alice would rather listen to music than eat and her favorite pastime is singing popular tunes. Good luck, Alice, in the future.

Girls' Glee Club 11, 12.

Eleanor Irene Edwards

"A maiden never bold of spirit, still and quiet."

One of our favorite classmates, Eleanor will soon be on her way to Peter Bent Brigham, to take up a career in nursing. Her quiet manner and kind ways should be a great asset to her in her chosen field. There are certainly a great many people who would be pleased to let such a charming "Miss" take their pulse.

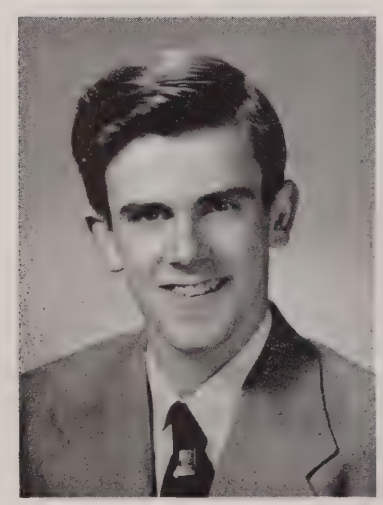
Girls' Glee Club 9, 10, 11, 12; A.A. Member 9; Junior Red Cross 9, 10, 11.

Bonnie Jean Eldredge

"Strike up the band."

Bonnie, who has a true soprano voice, and a love of music, is our head drum majorette. Her good sense of rhythm and timing accounts for the fine job she has done in leading the band down the field. We know that the band will miss Bonnie after graduation.

Drum Majorette 9, 10, 11, 12; Girls' Glee Club 9, 10, 11.



Carroll Leonard Ellis

"For Satan finds some mischief still for idle hands to do."

If you want to know just who was behind that last mischievous act, you need only look and you will find Carroll. In spite of all his devilish pranks, it is plain to see that he is very clever and versatile. We will always remember the boy who makes so many dreary days more cheerful.

Mary Louise Ellis

"To beguile many and be beguiled by one."

With her dancing blue eyes, her captivating sunny smile, and quiet friendly nature, Mary Lou has won many friends. When she isn't waiting on customers in the Barnstable News Store, Mary Lou enjoys roller skating, dancing, and bowling. One of our capable business students, Mary Lou is planning to be a secretary after Graduation.

Girls' Glee Club 12; Basketball 10; Junior Red Cross 9, 10, 11; Interclass Basketball 10; Interclass Hockey 11; Junior Boosters Club 12.

Ella Joyce Fraser

"'Tis well to be merry and wise."

Even though Ella is scholastically inclined, this does not prevent her from being funloving. She enjoys music and her 4-H work; and, best of all, her square dancing, at which she is very accomplished. It is also evident that she will be well qualified for her work as a physio-therapist. Best of luck, Ella.

Robert Frazier

"The horn, the horn the lusty horn
Is not a thing to laugh or scorn."

"Mickey" is familiar and popular with all the members of our class as well as the other students of B.H.S. Virginia, better known as "Dinny", is the female artist among us. Strange as it may seem, Dinny, with all her talent, is mainly interested in teaching. Seldom moody, Dinny is a good friend to all. She plans to enter college next fall and our good wishes go with her.

Robert A. Flinn

"Not of the noisy multitude."

Bob has always been very reserved around school, however we understand that outside school he is not so quiet. He has taken the carpentry course and plans to be a building contractor. His favorite hobby is to add all the latest accessories to his car. Good luck in the future, Bob!

William Anselm Korpela Jr.

"Honor to whom honor is due."

Bill's good nature and his ready grin have made him well-liked by all his classmates. Always interested in some new venture, Bill enjoys hunting as well as wheeling his familiar gray truck around town. Before he enlists in the Air Force, Bill hopes to travel abroad. Our best wishes go with him.

"Youth is the only season for enjoyment."

A new-comer in her sophomore year, Georgette was quick to make friends and she has earned her popularity with a sunny smile. When old man Winter takes over, Georgette generally rebels and goes to Miami, returning with a beautiful tan. Much of her spare time is spent riding around with Janet and learning to drive. Georgette plans to attend Green Mountain Junior College next fall.

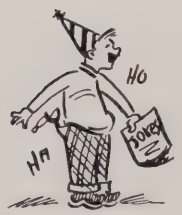
"He doth nothing but talk of his horse."

Horses! Horses! Horses!—where you find them of course you find Herbie. When not livening up one of his classes he may be found thinking of horses. Herbie has one main objective in life, that of becoming a "hostler."



Ralph Ojala

"Everything is a source of fun;
Life's a joke that's just begun."

"Ralphie" is one class comedian who will certainly be missed by all. His contagious grin, and dry, drawled jokes have just seemed to become a part of the institution. A faithful old standby of "Shark City", Ralph would much rather laugh than worry. He makes classrooms a pleasant place to be.

* Left school before graduation

Class Song

Farewell to things we've known,
Jollity and fun;
School days we have journeyed through;
Life we've just begun.
Forward toward the future
We turn our faces now;
With confidence and courage
Our steadfastness we vow.
For wisdom and for patience
That helped us on our way,
We sing in thanks the praises
Of our old school today.

Barnstable, we hail thee,
Our Alma Mater true!
Your ivied walls will keep our past;
All hail to you!

Football

IN the early fall of 1951, coaches Leo Shields and Elliot MacSwan were greeted by some forty odd eager football players. For several weeks the coaches and squad worked diligently and spent many long hours preparing for their first encounter. On September 12, the curtain was raised on the 1951 edition of the "Red Raiders" and they overwhelmed Nantucket, 26 to 0. This initial victory launched the greatest season of football that a Barnstable High team had ever experienced. Winning their next seven games in succession, the team reached its zenith on Thanksgiving Day when they crushed Falmouth, 40 to 0, and concluded the season undefeated.

Team spirit and unity were the prime factors in attaining the harmony that culminated untimate victory. However, due consideration must be awarded to the student body for their wonderful spirit and loyalty, and to the work done by the Boosters Club, the cheerleaders and the band.

Basketball

COMPLETING the 1951 - 1952 basketball season with a record of five wins and seven defeats, the Barnstable High School Varsity Team tied for third place in the Upper Cape league. Showing flashes of brilliance, Coach Fred Maki's team scored their greatest victories in the form of upset wins over the league winners, Bourne and Provincetown. Paced by the shooting of Mel Fulcher and the all around ability of co-captain Don Nickula, the Raiders, at their peak, were almost unbeatable.

The red and white climaxed their season as they won the Class B championship in the Eastern Massachusetts Small and Medium Schools Tournament. Barnstable broke four tourney records as they scored ninety-seven points in a single game. Another record was shattered by Mel Fulcher. The lanky forward registered ninety-seven points in the three tournament games. Both Fulcher and Nickula were named to the Class B all-star team.

Baseball

DEFENDING champions of Cape Cod, the Barnstable High School Baseball team hopes to repeat its performance of 1951. Losing several key players by graduation, Coach Charley Howes will have to rely largely on a handful of returning lettermen to carry the Barnstable colors to another championship.

Of the six returning lettermen, only two are seniors. Infielder Don Nickula and outfielder Barry Sturgis are both veterans of past varsity teams. Paul Thomas, one of the Cape's finest hurlers, will head the pitching staff and is destined to do most of the pitching. Infielders Bob Belhman and Fran Fermino and outfielder George Maddox are the only other experienced players from last years team. A capable catcher seems to present the biggest problem for Coach Howes.

With another championship in sight, Barnstable must compete with one of the finest arrays of Upper Cape teams in years.

First Row (l. to r.): W. Beldan, R. Hostetter, C. Fraser, W. Nye.
Second Row: J. Pierce, B. Kelly, M. Graves.

Track

As track entered its second season at Barnstable High School the emphasis was placed on its revival as a major sport. This year's varsity, under the direction of coach Fred Maki, was composed largely of veterans from last years' team and it showed marked improvement in almost every track and field event. In addition to five scheduled meets, the team competed in the South Shore Interscholastic Track Meet and the State Relays.

First Row (l. to r.): G. Brightman, M. Lewis, M. McLean, M. Perry, D. Whitely, A. Slavin. M. Jacobson.
Seated: F. Cummings.

Girls' Basketball

"SWISH" was the sound most heard as the Barnstable Raiderettes rolled over all but one of their season's opponents. A strong team, coached by Katherine Nehubian, the girls not only showed excellent team work but superlative sportsmanship throughout the season.

Tied for the Upper Cape Championship, Barnstable found themselves dueling and losing to a strong Sandwich team. Due to a fractured ankle received in a foregoing game, Mary Ann Perry was unable to participate in this game, which was disappointing to her and her teammates.

During their basketball season, the Raiderettes scored 777 points, 248 of which were made by high scoring Mary Lewis, and 180 by Mary Ann Perry.

Trophies will be awarded to the "most valuable, and most improved" players, also, to the forward who made the greatest percentage of her foul shots.

Girls' Hockey

ALTHOUGH the Barnstable High School Senior hockey team experienced a very short season, they thoroughly enjoyed it. In the inter-class series the team put up a good fight, but lost to the strong Junior team. Some of the members of this team played on the school team that split even with two hard-fought games with Harwich. The Senior team was captained by Janet Reid and the members included Martha Kittila, Avy Morse, Audrey Coleman, Ruth Goodall, Jeanne Peters, Muriel Sollows, Judy Rounds, Sally Wallace, Virginia Williams, and Mary Duarte.

Softball

THE last of the girls' sports shows itself late in the Spring. The girls can be seen and heard practicing in the hours before school. As boys' baseball, girls' softball requires a definite swiftness, skill and timing. The girls deserve a great deal of credit for the mastery of such a game takes much time and effort on the part of any girl. The girls participate in both interscholastic and intermural games, which provide a good deal of fun and competition for them.

Due to the necessity of getting this *Barnacle* to press at an early date we are unable to print the softball record, however, we feel sure that the girls will do themselves justice.

First Row (l. to r.): M. Ohme, J. Murphy, A. Murphy, J. Higgins, S. Anderson.
Second Row: H. George, G. Campana, P. Thacher, A. McLean, P. Clough.
Seated: Mascot J. Richards.

Cheerleaders

ALWAYS on the scene, cheering both the football team and the basketball team on to victory, were our ten pretty, vivacious cheerleaders and their mascot. The cheerleaders had numerous new cheers this year that not only helped to strengthen the morale but also to inspire both spectators and players. The Homecoming Dance and the Cheerleaders' Hop were a great success this year and everyone enjoyed themselves immensely.

The cheerleaders, under the supervision of Mrs. Behlman, are Alice Murphy, head cheerleader; Prudy Thacher, Phyllis Clough, seniors; Helen George, Marlene Ohme, Ann McLean, Gael Campana, Judy Higgins, Shirley Anderson, juniors; Jeannie Murphy, sophomore, and Joyce Richards, mascot.

THE traffic squad, originally formed by the Student Council, has been doing a fine job in keeping the traffic between classes systematic and orderly. The traffic squad is one of the newer school organizations. It is composed of honor students from the Senior High School and is under the able direction of Mr. Henry Levinson. Curtis Stiles is the Chief Marshal and the Floor Marshals are Barry Sturgis, Carol Lahteine and Muriel Sollows.

A special group consisting of 20 girls sang at the Rotary Club's Christmas dinner.

The girls will also sing in the Spring Concert to be held in May. Several girls represented Barnstable High School at the New England Festival which took place in New Britain, Connecticut, in March.

Band

THE B.H.S. Band, under the direction of Mr. Simon Gesin, has added much pep and spirit to the school activities this past year. They have backed up the football team one hundred per cent by following it wherever it went, including all the rallies. The big attraction of the year was the huge bonfire at Craigville Beach, the eve before the annual Thanksgiving Day game with Falmouth—and once again the band's performance did much to make the event a success. The band also helped the Boosters Club in raising money for the football team by giving a concert. In addition, the band has played at all the assemblies, the Armistice Day parade, and also, the Santa Claus parade.

First Row (l. to r.): A. Morse, C. Hord, D. Siddall, D. Lorrett, Mr. Gesin, B. Coleman, R. Howes, L. Burlingame, L. DeMattos.

Second Row: G. Martin, R. Williams, R. Hodge, J. Place, R. Frazier, F. Richards, C. Fraser, W. Jenkins, H. Petrides.

Orchestra

THE Barnstable High School Orchestra, although lacking in size, has been hard at work all year, under the leadership of Mr. Simon Gesin. We know that the orchestra will make a fine showing at the annual Spring Concert this year. The Seniors in the orchestra are Janet Place, Robert Frazier, Corinne Horde and Avy Morse. Of these Janet Place represented us at the New England Music Festival in New Britain, Connecticut.

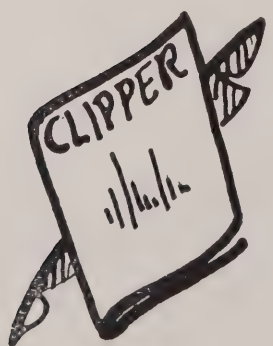
Much credit goes to Mr. Gesin for his outstanding work. We know that in future years oncoming pupils will keep the pinnacle set for the orchestra where it is now—at the top.

First Row (l. to r.): A. Coleman, D. Howes, D. Hinckley, L. McDonough, J. McDonough.
Second Row: P. Pendergast, B. Rice, Mrs. Towey, B. Kelly.

Clipper Staff

FOR many years we have enjoyed and have been proud of the "Clipper," our school magazine, which has connected us with all our students as well as with other schools. The coordination of the different departments these past years has brought forth one of the most outstanding publications in the Columbia Press Association.

Diane Hinckley and Deborah Howes led the editorial staff as co-editors this past year, with Mrs. Katherine Towey as staff advisor. Other members of the staff were Audrey Coleman, Shirley Anderson, Roberta Hirsch, Brooks Kelley, William Childs, George Perry, Jack Aylmer, Berkeley Rice, and Peter Pendergast. The typing advisor was Miss M. Louise Hayden, the business advisor, Mrs. Blanche Waldman, and the art director, Mr. Vernon Coleman.



First Row (l. to r.): V. Williams, S. Thomas, M. Lane, A. Coleman, P. Thacher, J. Place, P. Clough.

Second Row: C. Stiles, J. Deware, W. Beaumont, G. Johnson, Mr. MacSwan, P. Doiron, B. Connor, C. Ellis, D. Kunze.

Senior Class Play

OUR Senior Class play, "Ramshackle Inn", written by George Batson, was presented on March twenty-seventh, as an afternoon performance, with the evening performance on March twenty-eighth.

Directed by Elliot B. MacSwan, the three act mystery farce, starring a cast of nine boys and six girls, met with great success.

Under the supervision of Mrs. Waldman, members of the Senior Class sold candy which had been made by the senior girls. Also Coca Cola was sold for the first time at a high school play.

Mrs. William Murphy provided the music at intermission.

Here's a convertible styled for the young of heart

LOOK at the sweeping grace of this Studebaker! Isn't it a dream car? Wouldn't you love to be going places in it this very moment?

All the 1952 Studebakers are just as exciting as this sleek convertible. One that's especially thrilling is a new "hard-top" we call the Starliner. It's out of this world.

Stop in at a Studebaker showroom. See what beauties the 1952 Studebakers are. They come in sprightly Champion models as well as glamorous Commander V-8s.
